**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of Carolina Utilities.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I find the request for an 80% increase absolutely out of line. As a local employer and with the economy what is it, it is unconscionable to request an increase of this magnitude or any magnitude at this time. It will force people to go to wells, not maintain their properties due to cost of watering, using less water and/or buying bottled water. Anything but give a dime to a company that has no regard to their customers.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***  
(This section should be completed.)

Already planning on going to the local meeting.
